

JOB POSTING

... NEEA BULLETIN ...

The efficient use of energy resources is one of the most critical issues facing us today. Join a team of smart, passionate and experienced professionals to change the way the Northwest thinks about and uses energy.

[The Northwest Energy Efficiency Alliance \(NEEA\)](#) is seeking qualified applicants for the following position:

SENIOR POLICY ADVISOR

The Northwest Energy Efficiency Alliance (NEEA) is seeking qualified candidates for the Senior Policy Advisor position. In this role, the qualified candidate will develop and maintain closely aligned relationships between NEEA and the utility regulatory commissions of Idaho, Montana, Oregon and Washington. This position will also spearhead strategic policy analysis and advice for NEEA, represent NEEA in national and local policy forums as a technical expert and keep the organization informed about potential policy changes that would impact NEEA, its strategic direction, business planning and success of the region to achieve desired energy efficiency results.
